A New Look for a New Generation features fashions dating from the 'Baby Boomers' years 1945 to 1975. Starting with a post WWII wedding, then onto the glamorous 1950s it includes a visit to the Royal Easter Show when the country comes to the city. The parade will then journey through the swinging 1960s where women gained more freedom both in dress and spirit. The parade will finish in the 1970s - an era of youthful enthusiasm and will conclude with a formal wedding. Join us for this retrospective look at some of the wonderful fashions most of us wore!

The Cavalcade of History and Fashion is a collection of original historic gowns and accessories with provenance dating from the 1700s preserving Australia's social and fashion history. Further information on Cavalcade's collection, events or volunteering visit www.thecavalcade.org
